

In going through my notes, I realized I never formally published the September minutes. I apologize.

Present were Eric, Bruce, Vern and Julie. No alternates were present. Dave was unavailable.

At the September 2019 meeting Bruce made a motion to find the Silver Maple Wind Project submissions as complete under CLUO Article 6. Julie seconded the motion and the Board approved the vote 4/0.

Bruce then moved to find the Silver Maple Wind Project submissions as essentially complete under Article 14 of the CLUO (14.8.5). Vern seconded the motion. The Board approved 4/0.

Vern made a motion to suggest the Select Board accept \$10,000 in escrow to cover expected consulting expenses for the Silver Maple Wind Project. Bruce seconded the motion. The Board approved 4/0.

The Board discussed having a workshop on September 25th at 6:00 PM.

Vern/Bruce 4/0

The Board closed the meeting at 8:20 PM. Eric/Vern 4/0

Respectfully Submitted,
