

The Town office is open Tuesday, Thursday & Friday 8:30am to 4pm, Wednesday from 10am to 6pm. We are closed on Mondays

November 3, 2020 Election open from 8am to 8pm @ 135 Airline Rd Clifton Town Office

We will be adhering to the governor's order concerning wearing masks and social distancing. A mask will be available to you if you do not have one.

We are strongly recommending anyone who would like to register to vote or change their existing registration for any reason (updating addresses or new name), to come into the Town Office before the November Election. This will save everyone time.

Absentee Ballots

We are currently accepting applications for an absentee ballot. As long as you are a registered voter in Clifton you can request one by:

1) Call Deb or I at the Town Office and make a phone request.

2) Come into the Town Office to fill one out and have the ballot mailed to you....

3) You can come into the Town Office and request an absentee Ballot, complete the Ballot here, put it into the Absentee envelope, seal & sign it and turn it right back into us.

4) The very best way to request a ballot is <https://apps.web.maine.gov/cgi-bin/online/AbsenteeBallot/index.pl> on Maine.gov, fill in the request form and submit it, we will be notified one of our voters has made a request. We will print the request and send you a ballot as soon as they are ready.

When you do it through this link, as long as you have entered your email on the request, the system will generate a return email notice when we accept the application.

This system will also email you if your request is denied and will state the reason for the rejection.

For other types of absentee ballot requests, as long as we have your phone or email we will notify you if your request has been rejected and the reason why.

We Do Not Have A Ballot Drop Box available.

We are expecting the ballots to be in the beginning of October.

When we receive them they will be mailed out to the voters who have requested them.
